## General Information

This form must be completed and signed by the student. If you are a new student to CMC taking credit classes, please complete the admission application online at [apply.coloradomtn.edu](http://apply.coloradomtn.edu). We strongly encourage you to see a college counselor or academic advisor for academic advising prior to registration.

### Registration Add:

Students are usually allowed to register for or add a class on or before the Class Start Date. Sites may require the authorization of the instructor after the first class session. Adding a class after the Class Start Date (although not usually approved) requires the authorization of the instructor and the site administration. Contact the Registration office for a Late Registration Petition.

### Grade Option:

Students may register for most credit courses choosing any of the grade options of letter grade, pass/fail or audit. The letter grade is not available for any course .5 credit or less; these are only pass/fail or audit. Please choose a grade option when registering or a course(s). Students may change their grade option up to the refund date for the course by completing a Grade Option Change Form at the registration desk or online.

### Drop:

Students may drop a class on or before the Class Withdrawal Date. Drops are not permitted after the Class Withdrawal Date.

### Refund:

A 100% tuition and fee refund is authorized if the class is dropped on or before the Class/Fee Refund Date.

### Drop Dates:

The official date used for authorizing a drop and/or refund, is the date on which the completed Registration/Add Drop Form is received by the site registration office. If a Registration/Add/Drop Form is not available to the student, a written notice containing the required information may be substituted. Again, the date this substitute document is received by the site's registration office determines the student's eligibility to drop and/or receive a refund.

### Grade:

Students dropping a credit class on or before the Class Census Date will have all record of the class removed from their academic records. Students dropping a class after the census date will receive a grade of "W" for the class on their academic transcript.
