STRATEGIC FOCUS AREAS

Transformational Experiences

Transformational Growth

For Our STUDENTS

- 1 increase student success and goal attainment by maximizing student engagement and meaningful learning
- 2 leverage curricular and co-curricular experiential opportunities in mountain living and learning
- 3 close achievement gaps for under-served populations
- 4 create exceptional noncredit opportunities in continuing education

For Our EMPLOYEES

- Value employees via:
- 1 relevant professional development
 - 2 increased employee recognition
 - 3 increased clarity of roles

For Our COMMUNITIES & BUSINESS PARTNERSHIPS

- Use local community capital via:
- 1 facilitate economic development through cutting-edge programming and innovation
 - 2 develop strategically relevant partnerships and expand service learning, student internships and career placement
 - 3 further the President's Climate Commitment initiatives

For Our ENROLLMENT

- 1 launch and administrate new district-wide integrated recruitment structure and significantly grow enrollments at the program, campus, and college levels
- 2 identify existing best practices for retention and implement college wide to ensure a seamless educational experience to goal attainment

For Our PROGRAMS

- 1 create and deliver innovative programming from Developmental Education through Honors course work
- 2 develop and enhance Flagship Programs using state-of-the-art resources
- 3 design exceptional online learning using national model standards
