Legal Citation (if Applicable)	Board Approval/Revision: 19 February 2014	

Colorado Mountain College (CMC) shall develop and periodically update a college-wide Facilities Master Plan (FMP) to ensure that College facilities meet the needs of current students and educational programs. Designs for new buildings and the acquisition of land for future facilities require the approval of the Board of Trustees. Designs for remodels and ground improvements require the approval of the College President.

1. The FMP shall be reviewed and revised annually as part of the College budget process. The College President shall present the FMP to the Board for final approval. The FMP includes site acquisition, new building construction, building remodels, and infrastructure work greater than \$500,000.
2. Facility and building projects not included in the FMP (projects under \$500,000) are included in the annual list of minor maintenance projects recommended to and approved by the Board through the annual budget process.
