

RFQ-663-15Q LED Parking Lot Fixtures

Addendum
Issued 08/06/15

Below are the questions we have received from various parties with respect to this Request for Quote, along with our response (indicated in red font). Although we have endeavored to remove duplicate questions, we have presented the questions below in an unedited format. We hope this is helpful to you in preparing your proposal. Please remember that proposals are due by 2:00pm Mountain Time on 08/11/15. This addendum is number 001. Please follow the submittal instructions carefully when submitting your proposal. CMC is not able to accept a late submittal as determined by the CMC server time. Remember to allow a few extra minutes for any technical difficulties.

1. Are the fixtures for line item #11 and #12 supposed to be the same Lithonia part number; if not what is the correct part numbers for each of these lines?

Please note updated bid sheet posted; Line #11 is removed and line #12 went to a quantity of 24.

2. I would like to see if CMC would consider allowing other lighting fixture manufacturers to be bid as equivalent products to the Lithonia DSX series. Here are examples of two additional manufacturers that are equal fixtures to the Lithonia DSX series light fixture. I have samples of Beacon and Leotek lighting fixtures that I could also present if necessary. I would like to have approval to bid these manufacturers as acceptable equivalents to the Lithonia DSX series products listed on the bid form. Please call me with questions.

We would like to see technical data to show how the product is equivalent or better, a side by side comparison.

Specified fixture:

Lithonia DSX1 <http://www.acuitybrandslighting.com/library/ll/documents/specsheets/dsx1-led.pdf>

Lithonia DSX0 <http://www.acuitybrandslighting.com/library/ll/documents/specsheets/dsx0-led.pdf>

Equivalent products by other manufacturers:

Beacon VP-L http://www.beaconproducts.com/content/products/specs/specs_files/Viper_Large_LED_spec_sheet.pdf

Beacon VP-S http://www.beaconproducts.com/content/products/specs/specs_files/Viper_Small_LED_spec_sheet.pdf

AND

Leotek http://www.leotek.com/products/documents/ci/AR18_v062415.pdf

Leotek http://www.leotek.com/products/documents/ci/AR13_v062415.pdf

3. I was reviewing the doc for bid 663-15Q and I want to know if I have to bid on all items or just those we carry?

We need to bid all items.

4. The listing shows Lithonia branded fixtures. Will you accept and consider bids for equal or better from other manufacturers?

We would like to see technical data to show how the product is equivalent or better, a side by side comparison.

5. Will the fixtures be delivered to one central location for distribution to the listed campuses?

All fixtures need to be delivered to the individual campus specified.

6. I was wondering you would allow an equivalent. We present a lot of our LED manufactures, exemplified Toshiba to LSI. And we feel we could be more competitive if we were to offer a different manufacture. We will make sure Lumens, voltage and quality will be a match. Just did not want assume we could.

We would like to see technical data to show how the product is equivalent or better, a side by side comparison.
