Please follow the submittal instructions carefully when submitting your proposal. CMC is not able to accept a late submittal. Remember to allow a few extra minutes for any technical difficulties.

- Total premium for CMC's current insurance program is approximately \$548,000, which includes commissions. An estimated \$224,000 of this total premium is for Work Comp, and the premium for CMC's property and liability coverages totals approximately \$324,000.
- These premium amounts should be used as a reference point only and it is CMC's intent to transition to a fee-based broker arrangement with future insurance premiums quoted net any commission.
