

## RFQ 712-16 SMART UPS Units

---

**Addendum 001**  
**Issued May 25, 2016**

Below are the questions we have received from various parties with respect to this Request for Proposal, along with our response (indicated in red font). Although we have endeavored to remove duplicate questions, we have presented the questions below in an unedited format. We hope this is helpful to you in preparing your proposal. **Please remember that bids are due by 2:00 p.m. Mountain Time on May 27, 2016.** This addendum is number 001. Please follow the submittal instructions carefully when submitting your proposal. CMC is not able to accept a late submittal. Remember to allow a few extra minutes for any technical difficulties all bids will be received at [bids@coloradomtn.edu](mailto:bids@coloradomtn.edu).

1. Does Colorado Mountain College own any APC UPS units that they would be willing to trade-in? If so, could you provide the model number(s)? –  
**No**
2. Are equals or alternates acceptable for this bid?  
**Please refer to the bottom of page 2 of the RFP.**
3. Does the college have standard dock facilities, or is a lift gate and inside delivery required?  
**No; Delivery to receiving at Campus receiving door.**
4. Does shipping need to be included? Will you need delivery and install to all three locations?

**Yes. We would like the product drop shipped to the appropriate campus. Please quote shipping separately for all three locations. Campus addresses are available here:**
