Section I: Introduction

Colorado Mountain College (“CMC”) is a statutory local college district established in 1965. The district and service area cover 12,000 square miles in all or part of nine counties. CMC offers 77 certificates, 54 associate degrees and 5 bachelor’s degrees.

The long-standing investment from our communities allows us to keep our quality high, our tuition affordable and our access wide open. Eleven world-class mountain locations in central Colorado enable big-school opportunities in small, personal settings. Our unusually strong local partnerships create rich experiences for real-world learning and careers. The result? Proven student success that makes Colorado Mountain College a choice that’s uniquely smart. For additional information about CMC, please go to www.coloradomtn.edu.

CMC reserves the right to make multiple awards resulting from this RFP or to award no contract at all.

CMC uses the Rocky Mountain E-Purchasing System (“BidNet”) to post solicitations and any supporting or additional information, including Addenda, Bid Sheet, and awards. Proposals must be submitted prior to close on BidNet. CMC cannot accept a response that did not come through the right channel on time. Visit <http://www.bidnetdirect.com/colorado> for help with customer service or other questions. Please make sure to leave time for unexpected technical or other trouble. You are encouraged to submit a day early. Sometimes submittals take longer to load than expected; if you run out of time before you are finished with your entire upload CMC will not be presented with the response.

The only exception to the use of BidNet is that all questions from potential bidders must be submitted to bids@coloradomtn.edu. Those questions will then be responded to by addendum posted to BidNet.

Please do not directly contact any member of CMC’s staff or faculty, or any member of the Selection Committee other than the Buyer listed in this document regarding this proposal. Any attempt to do so will result in your firm’s disqualification at the discretion of the Director of Purchasing and Contracts.

▶ SCOPE OF PROJECT

Colorado Mountain College’s Central Services located at 802 Grand Ave., Glenwood Springs, CO is requesting proposals from qualified firms and/or individuals to assist in migrating CMC’s Microsoft SharePoint.

▶ SPECIFICATIONS

Basecamp is CMC’s internal website used for students and staff. Our current version is set up on SharePoint 2013 which is outdated and no longer supported by Microsoft. CMC is looking for a three part process:

- Phase 1 – SharePoint Consulting Services to do a deep dive discovery into what CMC wants within our portal.
- Phase 2 – SharePoint Consulting Services to do the migration of the existing components of the SharePoint and the building out of the new site based on what CMC has identified as our needs.

#850-19P Microsoft SharePoint Migration

Phase 3 – SharePoint Consulting Services to do the implementation of the appropriate server farm based on the finding of the deep dive discovery.

CMC is looking for a firm that will be hands on and responsive. We want a solution that will fit CMC, not a solution that CMC needs to fit. We are also looking for a firm that can assist with plans on how to re-engage our end users when this process is over, including possibly re-branding.
