

## **RFQ #863-19Q Stereomicroscopes**

---

**Addendum 001  
Issued August 23, 2019**

1. Per the specifications in Section II, can you please expand on the College's expectations for "Installation and Integration on campus"?

CMC would like the vendor to provide delivery, and come to the campus, unpack each scope, assemble any loose parts, and ensure proper working order.
